Choice of Hua Hin Hotels

Jed Pee Nong Guesthouse This friendly guesthouse is located right in town clean and comfortable, with a convenient position for Hua Hin's restaurants and nightlife, very central

Hua Hin Mantra A brand new luxury boutique hotel on the beach about 10 minutes south of the town. Special opening discounts make this a great value option; the rooms are big and well appointed.

The Haven Located right on the beach, brand new small boutique hotel (2008), around 10 minutes north of town – free shuttle bus – recommended. The hotel has great ambience with friendly attentive staff. The Superior rooms are garden facing and the Deluxe have balconies full facing the sea, recommended.

Baan Laksasubha Located right on the beach next to the Sofitel, this is a luxury colonial Boutique Hotel Recently renovated to a very high standard and centrally located this is a very popular hotel with easy access to town but right on the beach. The hotel has a good beachside restaurant and excellent breakfast. This hotel was very popular with our guests last year, as was the Haven. Baan Laksasubha is up to the standard of the more established 5 stars but offers much better value for money
