

COCO GOLF
THAILAND

METHODS of PAYMENT

for your HOLIDAY with COCO GOLF

There are three methods of making payment in advance for your Coco Golf Holiday - by credit card over the internet (PAYPAL secure server), by bank transfer in Thai Baht and by counter payment, BACS or bank transfer in GBP Sterling. Your invoice will show you the different amounts due by the 3 methods and a relevant invoice number. Credit card payments incur a 3% charge and GBP Sterling payments are fixed for 7 days from invoice at the rate of exchange at the time of issue of invoice.

① PAYMENT by CREDIT CARD

Credit Card Payment can be made over the internet with PAYPAL, you do not need to have an account with them, but it's the fastest method of payment if you do. Please note we have to add a service charge of 3% for payment by PAYPAL. Due to the many instances of credit card fraud in Thailand we cannot take credit card payments over the phone, or payments without the cardholder present. Credit card payments can be taken electronically for extras and excursions in our Chiangmai and Pattaya Offices either by MasterCard or Visa with the cardholder present.
